        <h2>Hello, I'm Kaviya</h2>  
        <p>  
            I'm a creative and detail-oriented <strong>Web Developer</strong> with a passion  
            for building clean, responsive, and user-friendly websites. My expertise includes  
            <strong>HTML, CSS, JavaScript</strong>, and working with backend technologies.  
            <br><br>  
            I love blending functionality with design, ensuring that every project not only works  
            seamlessly but also delivers an engaging user experience.  
            <br><br>
```

Currently, I'm exploring modern frameworks and sharpening my skills to create impactful digital solutions.
